

Notice from the Ministry of Science and Technology, National Development and Reform Commission, and Ministry of Finance on the Promulgation of the 2009 National Indigenous Innovation Products Accreditation Program

To each province, autonomous region and municipality directly under the Central Government, the department (commission or bureau) of science and technology of Xinjiang Production and Construction Army, the Development and Reform Commissions, and the Finance Department:

In order to implement the Supporting Policies for the National Science and Technology Development Middle- to Long-Term Plan for 2006-2020, and to promote the accreditation of national indigenous innovation products, the Ministry of Science and Technology, National Development and Reform Commission, and Ministry of Finance have decided to jointly carry out the accreditation program for national indigenous innovation products according to the Measures for the Administration of the Accreditation of National Indigenous Innovation Products (for Trial Implementation). Please note the related issues listed below:

1. Each institution please seriously deal with the product application work, initial evaluation and recommendation in compliance with the requirements of the 2009 Application Guidance for National Indigenous Innovation Products in the Annex.
2. The application and recommendation for the products should be conducted online via the "National Application Center for Planning Projects of Science and Technology" (Application Center). The related application requirements and procedures can be found on the website of the Application Center (<http://program.most.gov.cn>).
3. The deadline for application is December 10, 2009, 24:00; the deadline for product recommendation is December 30, 2009, 24:00. The Application Center will automatically close on the deadline.
4. Regarding product recommendations via the Application Center, each institution should please send hard copies of the related recommendation materials (in duplicate) to the National Center for Scientific and Technological Evaluation at:

Suite 1303, 13th Floor, Yuhui Mansion, 73 Bucheng Rd. Haidian District, Beijing, 100142
